WELCOME

TO EASTERN INDIANA SHORTHORN BREEDERS

14TH ANNUAL SHOW AND SALE

THE BEST IN OUR CONSIGNORS' HERDS

Are Offered You At

CENTERVILLE, INDIANA, ON MONDAY, SEPTEMBER 14, 1953

A CORDIAL INVITATION is extended to all breeders who wish to strengthen their herd of Purebred Shorthorns, and to 4-H and F. F. A. members who are buying cattle for their foundation herd.

Everyone is familiar with the lines from the poem "Little Brown Hands" quoted under the picture on the foregoing page. Though written years ago we feel this poem aptly describes our present day youth destined to become our "Future Farmers," who will take a keen interest in all phases of farming, including the breeding and raising of good cattle. We take this opportunity to acquaint them with the desirability of choosing Shorthorns over other breeds. The opposite page shows some of the reasons for Shorthorn preference.

Now a word about the quality of this offering. We know we have every reason to be proud of our selection of this group of sale cattle.

WE INSISTED THAT EACH CONSIGNOR PUT CATTLE INTO THIS SALE THAT HE WOULD PREFER TO RETAIN IN HIS HERD.

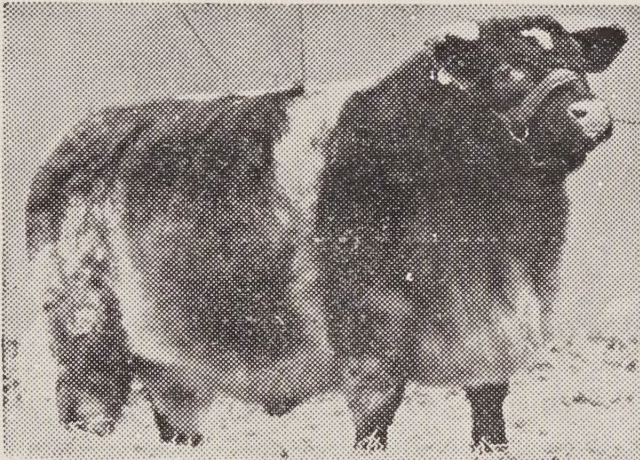

This we know, has been done. A number of cattle in this sale have been shown at our recent state fairs, and winnings will be announced on sale day. We have bulls and females that have the quality and class to go into the strongest herds in the country, and are **POSITIVELY THE BEST** that we have ever had in the Center of Attraction sale.

Look this catalog over carefully, read the footnotes, mark your choice, and plan to be with us on September 14th. We shall look forward to seeing you.

We Challenge Other Breeds To Match Superior Shorthorn Performance at the World's Greatest Livestock Shows

1952 GRAND CHAMPION

Four Out of Past Five grand champion carloads of feeders were **SHORTHORNS** at National Western Stock Show in Denver, world's greatest feeder cattle competition!

1952 GRAND CHAMPIONS

Requiring 11¼ pounds less corn per pound of gain than all other cattle of another breed in short-fed classes, **SHORTHORNS** were grand champions of 1952 International. They dressed 63.2 per cent with four carcasses grading prime and 11 choice—proving **SHORTHORNS** are tops in both feedlot and packing house!

Half of All Grand Champion Steers at all postwar International Live Stock Shows, world's greatest steer competition—that's the record of **SHORTHORNS!**

1953 GRAND CHAMPIONS

Seven Out of All Eight Chicago Feeder Shows, world's largest feeder competition, saw **SHORTHORNS** as champion yearling steers over all breeds.

HAWTHORN BARRAGE has a pedigree very much like the Silver Princess heifer we are consigning and a good calf he is. He will come to you in his every day clothes. He is real dark red all over with a good head and a real prospect for a herd sire. All of these calves are just in good condition which is to the advantage of the buyer. You can take them home, turn them out and forget them and they will just keep on doing good. Be sure to give these calves some thought.

GOOD HEIR—This first calf of Ringwell Good Fortune to be offered at public auction will tell you why we are so enthusiastic about our junior herd sire. Note the low-setness, compactness, thickness, smoothness, size, ruggedness, and good head of this calf. The paternal grandsire of Good Heir was Klaymor Heir used so successfully by W. J. Russell. His paternal grandam, Bessie Charm 2nd, is the dam of Ringwell Prince Charles who is making such a record in the T. W. Gavin herd. Village Belle II is one of seven good females of a most outstanding family in our herd today. Good Heir is truly an outstanding herd bull prospect.
